

Starting Out in Critical Care

Friday 2nd March 2012

Kingsway Hall Hotel, Covent Garden, London

Places are limited - don't delay... register today!

Members Registration Fee: £130.00
Non-Members Registration Fee: £199.00
Fee includes buffet lunch and refreshments

Aim

To provide the required knowledge and skills for pharmacists who are starting out in critical care.

Learning Outcomes

At the end of this masterclass, participants will be able to:

- Identify the causes of shock and the balance between perfusion and pressure
- Describe the basics of fluid balance and fluid choice in critical care
- Describe the advanced practitioner framework and explain its relevance to their role
- Inform choices on critical care specific drugs; keeping the patient calm, connected to the ventilator and free from pain
- Provide an overview on the use of haemofiltration in critical care
- Describe pharmaceutical aspects of the management of sepsis
- Identify important aspects in pharmaceutical screening of critically ill patients
