## UKCPA RESOURCES by GROUP

### CARDIAC GROUP

#### Cardiac Model of Care Guide

This is a fantastic resource for anyone wanting to setup a Cardiology Clinic. If you would like ideas of protocols, guidelines, how to do it, what works and what doesn't, how to get funding, and more, then this is the guide for you. This document contains eight models of care covering hypertension, heart failure and medication review clinics.

The National Electronic Library for Health specialist library for cardiovascular diseases:

<http://libraries.nelh.nhs.uk/cardiovascular/>

### CRITICAL CARE GROUP

In alphabetical order:

- **Adult Critical Care Specialist Pharmacy Practice 2005**
- **AHP and HCS Staffing Guidance in Critical Care**
- **CompChart**
- **Comprehensive Critical Care 2000**
- **Critical Care Programme AHP and HCS Advisory Group 2002**
- **Critical Care Syllabus 2009**
- **Department of Health Report of the Swine Flu Critical Care Clinical Group and key learning points** Published July 2010
