

Dr Chris Green,
Chair of UKCPA

Day job:

Director of Pharmacy and Medicines Management, Countess of Chester NHS Foundation Trust

Professional interests:

Leadership | Practitioner education | Organisational effectiveness

Being part of UKCPA General Committee... “has given me the chance to meet pharmacists from around the UK who I might never have otherwise met. Listening to others’ experiences in a supportive environment has been invaluable in tackling some of the challenges I've faced. As a GC member I can now share my experiences with others and give something back to UKCPA.”

Day job:

Pharmacist Consultant, Women's Health & Older People, NW London Hospitals NHS Trust.

Professional interests:

NHS Service Models | Health Services Research | Mutli-disciplinary and Interprofessional Education | Medication Management

Being part of UKCPA General Committee... "has, crucially, allowed practitioners to work together to understand the strategic direction that the NHS is taking, and to take the opportunity to lead and influence so that pharmacy as a profession moves forward. UKCPA has provided support to me in numerous ways, including discussion and debates at educational meetings and conferences with like minded peers, and being able to present my work and learn from colleagues."

Contact details: nuttantanna@nhs.net

020 8869 2937(Office) | 020 8869 2863 (Sec)

BPSA representative
(Ryan Hamilton, PR Officer),
General Committee member
(co-opted)

Day job:

Pre-registration pharmacist, King's College Hospital, & PR Officer, BPSA

Being part of UKCPA General Committee... "has been a privilege at such an early stage of my career. It keeps me abreast of clinical issues and updates, and highlights the work UKCPA interest groups are undertaking and publishing. It also exposes me to a wide range of highly influential and inspiring members of the profession."
